

Exhibition Proposal Instructions

To submit an exhibition proposal for consideration, please provide the following information:

1. Proposal Narrative and Proposed Exhibition Title (900 Words): Describe the proposed exhibition concept, including a possible title.
2. Resumes and/or bios:
Include bio or resumes of the artists included in your proposal. Be sure to specify a primary organizer's contact name, and include a telephone number and email address. Please include names, residences, and backgrounds of all exhibiting artists. If any of the artists have exhibited at LHAC in the past, please indicate the year(s) and exhibition(s).
3. All proposals must include a proposed educational component or programming. What does your proposal include? Examples are but not limited to: a gallery tour, artist demonstration, lecture program, youth art workshop, or community event.
4. 20 images of proposed artwork: Please submit 20 images either in a jpeg format in in a pdf format. If digital images are not available, you may submit up to 20 images in photographic form no larger than 8" x 10" OR a publication that shows a relevant representation of your proposal. Include images from all the artists represented in your proposal. Please do not expect the Lyndon House Arts Center to return your materials by mail or carrier.
5. Exhibition checklist, detailing titles, dates, size and medium of works. Please include special installation requirements. Arts Center staff will install.
