## Shots Fired During Strong Arm Robbery

On 2/13/2017 just before 3:00 pm the victim was at a car detailing shop off of Danielsville Rd when he was approached by 4 suspects in a vehicle, a white pathfinder. The victim stated that he began having a conversation with one of the suspects and during this conversation one of the other suspects involved reached into his pocket and stole his wallet. The victim chased the suspects in his vehicle and stated that the suspects shot at him twice while on Harve Mathis Road. The victim lost 120 dollars cash and several debit / credit cards. The victim described the suspects as black males, and was able to provide us with possible names for two of the suspects involved in this case. No one was injured during the course of this event, and this is an ongoing investigation.
