FOR IMMEDIATE RELEASE

DATE: 04/12/2017

TOWNE SQUARE LANE SHOOTING

On 04/11/2017 at approximately 9:00 pm officers responded to Towne Square Lane and Towne Square Court in reference to several shots being fired in the area. A witness on scene told officers that he saw a large group of individuals outside near the intersection when he heard several shots. Two vehicles were immediately seen leaving the area; one was described as a yellow vehicle and the other as a possible black Honda Accord occupied by 3-4 black males. While canvassing the scene officers were able to locate several bullet casings.

Approximately one hour after clearing the scene officers were called back out to a residence on Towne Square Lane when a homeowner discovered a bullet hole that had entered through his garage door continuing through a wall, door and exiting out a rear window. No one was in the residence at the time.

No person was injured during this incident. Anyone with any information on this incident is asked to contact the Athens-Clarke Police Department.
