## College Avenue Shooting

On 05/09/2017 at around 11:30 p.m. officers with the Athens-Clarke County Police Department were dispatched to the area of College Avenue in reference to a vehicle being shot. Upon their arrival on-scene officers located multiple shell casings that were found in the parking lot area of the apartment complex. An apartment within the complex had been struck multiple times, with several bullets passing through the wall/window. Two vehicles outside of the same apartment had also been struck with bullets. No one on scene or from the damaged apartment could provide officers with a reason or explanation for the shooting, and no suspect or vehicle information was provided. This case remains under investigation, but information gathered from the scene indicated that this may be drug related. No one was injured during this incident.
