E. Carver Drive Drive-By Shooting

On 08/22/2017 at just before 4:00 am officers were dispatched to the area of E. Carver Drive in reference to multiple shots being fired at a residence. Upon officers' arrival on scene, they noticed a vehicle in the driveway with several bullet holes to the rear of the car. Officers also noticed that the front door of the residence had several bullet holes. Upon making contact with the resident, officers were told: "they heard gunshots outside and believed that the bullets were impacting their house." The victims stated that they fell to the ground and waited for the gun shots to stop. Several shell casings were recovered from the scene; this continues to be an active investigation. None of the residents were injured during this incident.
